

The screenshot shows a file sharing interface. On the left, there is a blue folder icon containing a cloud. Below it, a rating of 6.4 is shown with five stars and the text '2865 VIEWS'. A blue 'Download' button with a download icon is present. To the right of the button, it says 'SECURE SCANNED'. Above the button, the text reads 'File was found and ready to download!' and 'UPDATED 14 HOURS AGO'. Below that, it says 'Fastest Source: useenet.nl'. A note below the source says 'Click the download button and select one of the found cloud sources.' At the bottom of the interface, there is a message: 'You need to log in before you can post comments.' Below this message are three icons with labels: 'Navigation' (a blue icon with three horizontal bars), 'Registration' (a blue icon of a folder with three people), and 'FAQ' (a blue lifebuoy icon).
