Bradt Travel Guides: books to travel & explore the world, by Paul Clammer; 1st edition (2007), 7th (2012) & 9th (2014) revised Sudan, 2nd (Bradt Travel Guide) Bradt Travel Guides Like the first volume of the Bradt Travel Guides series, this book is divided into the main country chapters and is illustrated with stunning color photos of the peoples and landscapes of Sudan. Brandy Nivert (McGraw Hill) Review for Sudan 2nd Edition (2007) For the last 40 years, Sudan has been one of the most confusing and frustratingly uncharted countries in the world. Possibilities for the future are now limited as a result of the proliferation of weapons in the country's landlocked, arid south, complicating aid efforts to protect the world's largest collection of prehistoric art, including some of the oldest and most ambitious rock art on the planet. Read the book (free sample PDF). Contents include: Part I: Sudan: Politics and People, Part II: Sudan: Culture, Part III: Sudan: Business and Economy, Part IV: Sudan: People and Politics, Part V: Sudan: Land and its People, Part VI: Sudan: Tourism, Part VII: Sudan: Travel and Tourism, Part VIII: Sudan: Health, THE bradt travel guide Sudan (Bradt Travel Guides) Bradt Travel Guides Sudan, 2nd (Bradt Travel Guide) bradt_sudan The bradt travel guide Sudan, 2nd (Bradt Travel Guide) Paul Clammer The price of this magnificent work is £24.95 (+£3.95 p&p). Category:Travel guide booksAh, another cool looking Galaxy tablet in the Samsung Galaxy Tab series. The Samsung Galaxy Tab A has a 5.0-inch Super AMOLED screen that will compete with the iPad Mini in terms of screen quality, and will feature a 1280x800 display. Samsung Galaxy Tab A Under the hood is an ARM Cortex-A7 quad-core processor, 1GB of RAM, an 8MP rear camera and a 2MP front camera. The 7,300 mAh battery will keep the tablet going for a decent amount of time. On the software side, Android 4.4 KitKat will be the OS of choice. The Samsung Galaxy Tab A will be available in 4G LTE versions and Wi-Fi versions. There are no plans to include 3G version, so if you want the best tablet for your needs, it's the Wi-Fi version. It should be available in 2d92ce491b
