If you have been watching the guys / girls trying to make a cake, you will find out how much fun it is to create a new work of art. We have a lot of free games of this type on our website, so you are not alone if you want to make your fortune. Will you be the one who'll save Cinderella? It is challenging to fulfill a task, but you do not have to worry about the aspects of physics while you are playing this game. Trainers will appreciate it because it's possible to apply the actions in more than one area and at the same time. Based on the main line, you'll have to use the arrow keys to navigate around and make progress. If you are looking for specific actions, just press the spacebar. You will have to travel through 15 levels, which will take you about two hours to complete. The Girl's curse was broken by the touch of an ancient monk in the village. That is, at least, according to the stories of the villagers that still have their memories. Cursed for a couple of years, she has become the slave of the villagers, who believe that she is the daughter of the Monk. In spite of the fact that she is a beauty, very young and with a spicy body, she is considered a beast. During her work in the kitchen, she learns to cook while the villagers have their free time, as you can imagine, whether she was a little too fond of the brew, the boys more or less have fun with her. With the month of August, it will be more difficult to ignore the girls. All of a sudden, the girls will be waiting for you on the streets as they want to get to know the students. The first pair that you will meet will be a very sexy man and a woman. The little girl is being captured by the big guy and he can barely keep from making love to her. Luckily for him, the girl is in a very good mood and seems to want to have a little fun with him. You need to control the girl to avoid hitting the woman. The guy will be knocked out and the girl will be left to be captured. You can free him by pressing the triangle button. Take care of this girl and you will get some good rewards. The Girl's curse was broken by the touch of an ancient monk in the village. That is, at least, according to the stories of the villagers that still have their memories
