It's exciting to see them grow and as they grow they also always try to do something new. This weekend they set a new record for their latest creation 'Hose' who had the most views in a 24 hour period. That's right 'Hose' had 1.1 million views in 24 hours! Such a success is a testament to the hard work and effort put in by the team and I'm personally glad to be apart of the team and to witness the journey unfold. We are definitely looking forward to seeing the final product of 'Hose'. It was an honor to share the story behind 'Hose' and let me take the opportunity to also give a little more information on the story and the team. When Hose first joined the team he was called 'Floppy', due to his belly flopping around all over the place. In a moment of inspiration the team decided to call him Hose (an American term for an athletic water bottle), the name stuck and the world fell in love with the brand. As a child, Hose grew up loving sports, so to get the chance to share the brand's stories with the sport lovers, was a dream come true. Hose was born the day before Sugar Hill's product was released. He even has his own fan page on Facebook. It was an honor to know Hose and his story and I'm glad that I got the chance to share it with you. If you want to learn more about Hose and learn how
