I started thinking that maybe I'd gone a little overboard with this whole "organic" thing. All those little bags and wrappers are no fun. Who wants to get a bag, then have to go through the whole "put it in the freezer" process, then have to remember to take it out and put it in the freezer again in the morning? Not me. So, I started scouring the internet to try to find a good deal on jars, and was greeted with the most frustrating results. \$5 cans of tomatoes. Wait, what?! Let's be clear here: That means there are a lot of \$5 cans of tomatoes out there 2d92ce491b
