the United StatesThe National Park Service is preparing

to reroute the main road for the world-famous Space

Needle – the replacement path will leave the Pacific

Science Center, and the Seattle Art Museum and the

Seattle Center venue behind – and traffic could impact

the Olympic Sculpture Park next year. U.S. Secretary of

the Interior, Sally Jewell, announced the change Tuesday, in an effort to make the Olympic Sculpture Park more accessible. “The Olympic Sculpture Park is more than a place; it’s a destination, a destination for Olympic fans, tourists, locals and families,” said Jewell.

“We heard from members of our public who spoke passionately about making the Olympic Sculpture Park a year-round destination, which is
