You've been on the planet for over 500 years. You've been forced to marry the Princess of a neighboring kingdom, and in doing so have allowed her to grow into a beautiful young woman. You've been given control over the kingdom of the Elves, and you've been training your son, known as The Determined One, to take over the kingdom in your absence. That is, until you meet The Smiling Reaper, an assassin working for the evil Wizard of Wallow. The Smiling Reaper has just returned from The Ghost Forest, your home and the only place on the planet where you can be truly free. The Smiling Reaper is determined to capture you, your son, and any Elves you care to capture. She's going to tear you limb from limb and use your skin and bones to create a new super weapon for The Wizard of Wallow. It's time for the Ultimate Chicken Horse, baby, because it's your lucky day. You can finally call upon your best friend, Super Chicken, to help you save the Elves. Storyline - In the city of Elves, Princess Belinda has spent most of her life training to be a good queen and preparing for her upcoming marriage. Unfortunately, a jealous servant named Pinacles has been manipulating the princess into thinking that she has no affection for her in order to eventually kidnap her. While the princess is taken into the neighboring kingdom of the Humans, you and the rest of the Elves are left behind, and it is only after the humans have captured the princess that you are finally informed of her abduction. With only weeks to prepare for your son's coronation, you must now race to find Princess Belinda. Along the way, you learn that Pinacles has been brainwashing your son with lies in order to further his own ambitions. Now, you must race through the kingdoms to stop him, rescuing your son along the way. Menu Game Features All-new "Ultra Naughty" Action! - The ultimate chicken horse is back for more fun on the go!
