apolloracingwheelrw2009driver Yesterday, as expected, I was kicked out of work for absenteeism. But there is an excuse - I was at work. But elsewhere... I did a couple of Wheelman 3 tests last week. In my opinion, it's just a miracle that people don't try to repeat it lately. Moreover, it is not as difficult to do as it seems. Actually, "Wheelman" is just a game. In fact, for example, I have done other projects that are much more complex in terms of implementation. So, in order: What is "Wheelman 3"?
