Who needs Armiger Unleashed when I have the FRIENDSHIP power?Final Fantasy XV is an open world . It does not have such restrictions as in other games. If you play other games then you don't need to compare it to other games. If you cannot pass some level in the game, this does not mean that it is not passable. This does not mean that all games are passable. Some games require a lot of effort and know what to do. And in some and especially it is not necessary. Final Fantasy is different in that it has free rein. The character has many abilities. Some of them can be upgraded .
