P3D: Carenado B1900D HD Series FLY- BYE FCenr 8/6/2016, 06:57 AM Hi friends, after watching some beautiful Carenado aircrafts in the air, and reading good reviews about them, i'm interested to get one. But i have a problem, that i don't know how to start reading the manual and the technical characteristics of it. Is there someone who has already tested this aircraft? and thanks in advance. FSX/P3D 4thdoor 8/9/2016, 01:07 AM Hi, I like your work and would like to buy some of your aircraft, but I would like to know what aircraft you are the developer of. DFT 8/20/2016, 08:20 AM Hi DFT, Hi, Many thanks for reading my blog, I am developer for X-Plane v 11. I am a member of X-plane developer forum. I have some test of B1900D from last week, that was not working properly when I posted some videos. I applied multiple patches to the aircraft, and still not working. I hope that my work would help you to find any bugs in the aircraft. Kind Regards, X-Plane Developer atr avion b1900 b767-300 b777 barcelona blackbox boeing C-17 c-46 c310..
