I will give you good advice that can save your life" Jaanki stared at Hasina. "You, Jaanki, are now the latest addition to Malik Qasim's harem. I saw that your younger brother Shakarim wanted to break you, your claims and his hatred for you. " So what if Shakerim did not obey Malik, he is also our vassal. " I belong to the Binner family and I have taken an oath to protect their interests. So if a single hair falls from your heads, my sons and

brothers, I will throw myself on your women and kill until I kill them all! " Who am I to come between you Binn and Malik families? I said that you are my vassal and I will give you protection and support. And I will do the same if your sons, brothers and tribesmen stand in my way. But you must trust me, no man can be independent of me. Now I have to go. n Get some rest before tomorrow. If we need help, we will still come to you and stand guard right outside the gate. I said to Mamed Qasim and his wife: “I will not stand between you and your people. If you are angry with me or my children, I will follow you. &n You are one of us. I want you to know

this. When you thought about taking as much as you need from me, you should have thought about us too. We also want a lot. We are not hungry, but we do not aspire to an easy life. We want the same thing as you, we also need our land.

You came here when your men began to limp after you hunted wild horses, when they began to drink and take more and more women every day. But it is not our business how to manage it and what to do. We will try to just be close to them and that's all. n So we shouldn't have quarreled with you, unless you act like foolish children. Learn to keep up appearances before venting your anger and words. If me and the Shakers keep our mouths shut and

behave properly, then you will see
that we will treat you and your
people with great respect. n All
