
Pokemon Black And White 2 Full English Patched Rom Download

Since version 1.3, the patch confirmed that it works by itself without any other changes. (you don't need to apply other patches or fiddle with ROMs); Please . Do not use the patch to replace any other firmware build or download other versions (only for 1.12 or later). (you can only install a patch after you have applied the patch to a previous version). This ensures that you don't get corrupted files. (the patch changes the firmware version for the device, for example, 1.12 to 1.13) (You can only update the firmware through the APP by installing the patch first. You don't need to uninstall any other patch.)
