

Jan 22, 2019 SPSS software is now available on your Mac with no additional fees, but you will need an Internet connection for some features. Alternatively, you could request that a new license be issued, but this will take a while. Can you check that your license # works in the appropriate system, that it's not expired, etc? Check to make sure that your license # does work on the new Windows installation. Is it expired? If you have a current license or license with your current address you can use that directly. If you think your current license or license with your current address has expired, you could check to make sure that your license # works on the new Windows installation. Is it expired? Are you using the correct license? On the old machine you had a spss version 11.5 license and on the new machine you have a spss version 14.0 license. Are you using the correct license? Btw, when did the expiration date occur on the old license? How many days has it been since that expire date? Do the new license keys now work? I'm sure there is some other problem, not enough information given. We need more details. PRICE REWARDS WALES Stiff-legged Wallabies lock Adam Ashley-Cooper is eyeing another big-match stage with Wales, naming himself one of the contenders to take on Wales this weekend, and again next weekend if the Wallabies can reach the finals. The Waratahs' Adam Ashley-Cooper could be called upon by Wales to further his international career. Credit:Getty Images His new Wallabies coach Michael Cheika, who earned his first Wallabies call-up against Wales in 2006, is also believed to be a strong contender for the role, along with Queensland Reds' Scott Higginbotham, who played a big role in Australia's World Cup quarter-final victory in 2011. Australian and British rugby has never been so close. Unthinkable a decade ago. A massive let down for Australian fans. End of day, it is what it is. If the selectors are going to replace a couple of ageing second-rowers, and select three younger players, it doesn't matter how bad the British and Irish sides are. You need to be in the finals to be considered to replace a couple of old blokes. You see what I did there? In the words of some fans, the Wallabies -
