What's New in the 4Media iPod Max?

4Media iPod Max has been tested on Windows XP, Vista and Windows 7. It's not recommended on Windows 2000 and Windows 8. Visit : Free download : Welcome to a world of robot cats. Your feline friend has been ordered to perform many tasks and his patience is wearing thin. Your job is to make him work faster and smarter. You should manage his food, water, and energy so he can complete his tasks. A word of advice: do not let him fall asleep or he will take an extra long break! Features: - 8 challenges to complete - Customizable difficulty settings - Timer and average speed - Customizable number of points - Hidden walls and glass - Several references to the work of Douglas Adams - Clever tricks and traps This is a new robot cat game which is created to be simple, interesting, and addicting. Check it out, and enjoy it! Have you ever wondered what it would be like to be a fly on the wall in a private party? Well, now you can. With the Eye of the Fly, you can enter into the experience as a fly on the wall at your friends party, without the intrusion of our cameras. Cameras are not installed in this app. It's just a fly on the wall, that's all. There's nothing else in the app except for the fly, so make sure you don't activate the x-ray mode. It could be dangerous to you. We advise you not to activate that function, but if you really want to see the party through the eyes of a fly, this is your best option. The Eye of the Fly is a tool that you can use at your friends party, to see what's going on without the use of a camera, only with your own eyes. There is nothing in the app but a fly, that's all. Watch how people use the app and enjoy the experience. You may even realize that having a fly on the wall may be a better option than the one offered by our cameras. How to use the app: - Select the type of party (bachelor, birthday, wedding, or any other party) and the date when you want to visit the party. - Click on 'Enter' to start the app. - You can exit the app at any time by clicking on the 'Exit' button. - Open your Facebook app, then click on the button on the top right side of the app that says 'Share'

System Requirements:
