pinball screenshot Shopping is super on sale! Make some coin, pick up some awesome Mario pins, and then head back to the Mystery Shack and have an awesome time. When I first started working on this trailer, I was giving the screen a bit of a cleaner look. This is largely just to showcase what the animations look like. If you take a look at the games I just finished showing off, you can see how polished the animations are. There will be times when there will be an animation that needs tweaking but for the most part, all of the transitions are done to the point of being polished. Again, these are prototypes so they're not all final. Super Mario Bros.'s Beep Boop Buzz, Castle of Illusion Starring Mickey Mouse's Froggy the Drowning Frog and Hoppin' Horse, Super Mario Bros. (with coins in SMW) and Super Mario World all get the final touch-ups before you see them. One last thing, the music played in the game has a different vibe than any other Super Mario
