Microstation V9a Microstation project professional without CONNECT Edition: . Install V8i SELECT SERIES: . Install V9 SELECT SERIES: How much does it cost to upgrade from V8i to V9? A: To answer the first part of your question (and I think you may be misusing the term "Activation Key"): Many years ago, MicroStation used an activation key at the time of installation to ensure the correct license key was being used. That was before the Mac/PC license approach (which was also available on some versions of MicroStation on Mac and on PC.) The keys used by MicroStation were generated by the licensor and sent to Bentley where the keys were loaded into some token which was sent back to Bentley where the keys were used to authorize the installation of MicroStation. When MicroStation was "turned-off" the old keys were considered invalid
