Agents Of S.H.I.E.L.D - Folder Icon

In this pack I have created all the icons for folders. These icons are ready to be used in your system or in any app that you need to place icons in folders on your desktop. The files are made in both the ICO and PNG format. All icons are made with a transparent background, so you can simply drag and drop them where you want the icon to be placed. I have also added a folder icon which matches the one in applications such as Chrome, Eclipse, Pidgin. What's New: 11/09/2015: - Added some new icons 11/08/2015: - Added some new icons 09/11/2015: - Fixed some issues in the folder icons I hope you like this pack as much as I do and find it useful. Agents of S.H.I.E.L.D - Folder icon is a skillfully crafted collection of icons that will provide you with a couple of icon replacements you can use for your dock applications. All the items that are included in this pack come in two flavors, namely ICO and PNG. The formats are used for both Windows native folders and files as well as by dock programs that will handle the PNG file type for the icons of the apps they host.
