did however go on to further study the concepts of memory, heart, love and the senses. She became interested in the human being and its complexities, in particular the psychological. Alvarez Pdf multiple and having contact with the different groups of people. Since the beginning of my studies I nave been very involved in different things such as volleyball, swimming, tennis, and horseback. As a result of my spiritual training, since the second year of my university studies I remember that I have been interested in writing. More specifically, I have been writing short stories, narrating dreams or fevers. From that moment on, my writing has changed a lot. Now my stories tend to be longer, longer and more intense. In any case, I have always paid attention to the concept of storytelling. A story is a universal element of life. According to the spiritual training that I have received, as well as the course of life that I am living, I have the intention to express what I am going through through writing. alvarez pdf I think I have a good memory, not like that of someone who doesn't pay attention to details. I can remember that I had my friend Enzo with me, in the garden of my house and that he gave me my present which was a birdhouse. That is all I can remember about my childhood. I was born in the city of Aracataca, State of Lara, in the north of Colombia. I was born at a time when our mommy was making coffee and cooking. My daddy was on his way to work and he left a big present for us. He said, "Happy birthday, son." That's what I remember, even if it wasn't a birthday at that time, since it was shortly before Lent. At school, things were mostly like every other public school. I wasn't aware of the factors of my family's wealth or poverty. I wasn't conscious of the fact that different groups of people without seeing them. I remember that there was a certain room with a writing desk in the middle. Above 1cb139a0ed
