What's New In?

Calendars-Writer FREE by The Hopper Software LTD. is a user-friendly application that allows you to create to-do lists, task lists, meeting schedules, appointments and to-do lists more efficiently. The application lets you manage events in a familiar manner, using a standard calendar interface..- Vatican City, Sep 14, 2016 / 12:00 am (CNA/EWTN News).- In 2016, the Vatican is scheduled to launch "a living and ongoing" process to evaluate and classify at the end of the century's second millenium "all conceptions and practices, also those belonging to humanity's past, for which it is not possible, or no longer necessary, to consider them to be in accordance with the moral law." The initiative follows a 2010 "Jubilee of Truth" which sought to "purge" Catholicism of the "non-doctrinal aspects of the banality of evil," in order to obtain a "fortified" and "surer" faith. Pope Francis recently revealed in a letter sent to the Congregation for the Doctrine of the Faith that he will launch the initiative in 2016. The initiative aims at "a simple and proper response to the requirements of our times," according to the Holy Father. "In these times, a fortification of the faith is necessary, a strengthening which allows it to grow in depth and in breadth, a vision of the heart and of the mind, from the certainty of the truths of the faith," he said in one of his pastoral letters, "All will always find firm footing in the truth of the faith." He continued: "The task is simple: it consists of recognising and categorising all that exists which does not find its place in the truth of the one, true and good God and Father of the faith, who is the truth itself." The Pope gave particular attention to the fact that "in today's world such a classification has become even more necessary." "Knowledge, culture, modern means of communication, above all the freedom of the press and of thought, the false methods of 'false religion,' the spread of ideologies among youth and also of a rationalist and evolutionist ideology which, without proposing concrete solutions, replaces God and man and is in

System Requirements:
