3dsk.com - Free Download 3DSk Photographic Image.Each year the US Immigration and Customs Enforcement (ICE) agency identifies thousands of immigrants who have been residing in the country illegally, but have successfully resided in the US for over a decade. With the expiration of the Obama administration's Deferred Action for Childhood Arrivals (DACA) program, the new administration is considering deprioritizing the removal of such individuals. Yet, DACA, a program created under the Obama administration, has been

deemed unlawful by a court, and all immigration agencies must now differentiate between non-criminal immigrants who were brought to the country as children, and felons — prioritizing the latter for removal.
