THE MCQUBE CENTRAL HUB Be sure to have your QR code on hand! UCSB's QR Code points you to the main hub of the Gamecubes where you will find a great deal of resources for teams, players and parents to use before and after the tournament. The tournament run through UCSB will be great. You are encouraged to get out to the venues and check them out, but be prepared to be in an all-day tournament (when UCB is playing), so you'll want to have a great setup before then. Cheese. Some teams will have a direct feed to their team base camp, but if not, you'll want to be sure to have cheese on hand. Cheese keeps the film flowing, and can help ensure that you get more minutes of game film to review. Snacks. Most of the time we will have food at the main hub in the lobby of the UCB's on campus. Cheese is always a great idea, but good snacks are great as well! Wireless Mouse. Make sure to have a wireless mouse for the tournament (I highly recommend the Logitech MX Revolution mouse). Not only is the wireless mouse great for tournament play, it's also great for just talking to your friends and parents while you play. USB battery pack for computers. Make sure you have a USB battery pack for your laptop or computer. Without that, you won't be able to keep your computer running all day while you have time to check emails or chat with your team members. QR Code is FREE and points you to the main hub of the Gamecubes! Be sure to have your QR Code on hand!
