made Doom Patrol team you will use your Superman-like abilities to defeat the evil creatures. About Me I am a graduate of the NYU Game Center, currently working for Gamelab Amsterdam as an Interaction Designer at Uitgeverij Iemhoff. I have developed several games, including Puzzle, an award-winning hybrid game for mobile devices, Puzzle Quest and its sequel Puzzle Quest 2, as well as the award-winning board game Auroa, for which I created the artwork. I love making games and improving what was previously considered impossible by combining technology with games. I used to play video games and study architecture in Tallinn, Estonia (2003 - 2012). I studied game design at the New York University Game Center in New York City,
