“With ‘FIFA’ as the main brand and ‘More Than A Game’ as the main slogan, we want to provide a unique gaming experience – a feeling like no other,” said Sebastian Graf, CEO of EA Sports. “We are thrilled to be able to create FIFA gameplay that allows players to make every ball count. Fifa 22 Cracked 2022 Latest Version will help define the feeling of playing football and is the perfect excuse to break out some of your favorite moves.” More than 100 new actions will also be available. These new effects include: Aerial Diving Aerial Diving works both in the air and on the ground by giving the player the ability to glide across the ground. Aerial Diving can be used to execute controlled dives into the five-meter box, to defend against opponents coming towards the player and to challenge headers in the air. Other players on the pitch will take flight after the player is airborne, providing him/her with a unique new angle of attack on the ball. Cruise Control Cruise Control is a new move that allows players to control the flight of the ball by gradually increasing the rotation of the player using the analog sticks. Pitch Tech Existing Pitch tech in FIFA

provides players with a more realistic experience of the rules, officials and how the ball moves around the pitch. El Clasico 4v4 FIFA introduces a new 4v4 mode for FIFA Ultimate Team mode. Players will be able to play against a similar-to-life goalkeeper, while FIFA Ultimate Team players on all platforms (including Xbox One) will be able to use an Online Friend to change pitch angles to create the most realistic experience for their custom-made squads. FIFA THEME Match of the Day theme The 'Match of the Day' theme is back for FIFA. The new 'Match of the Day' look surrounds all aspects of the FIFA video game, with the latest FIFA THEME matching the action on-screen. The new soundtrack and additional cinematics and graphics further enhance the Match of the Day franchise, available to FIFA fans on all platforms. Extensive Test Drive All players, regardless of platform, will be able to test drive new features and receive additional content and gameplay options, including a new set of dynamic weather conditions. The Test Drive for EA SPORTS FIFA 20 and FIFA 21 features will be available to all players

FIFA is a massively popular football video game series published by EA Sports for home consoles and mobile platforms. One of the most played competitive sports games of all time, it has sold more than 135 million copies worldwide. FIFA 20 packs 15 all-new licensed teams and faces into an immersive game world, including all 24 teams in the new FIFA World Cup. The official addition of real-world clubs has given the sport a more authentic feel than ever. New features include Dynamic Tactics, Matchday Weather, Squad Building and much more, giving you endless ways to play. FIFA 19 delivers on the promise of the series and is the most polished, in-depth and authentic football game ever created. What's new in FIFA 20? FIFA 20 features all the teams and players from the real-world 2018 FIFA World Cup. Also new to

the series are the new Reveal Shot, which brings new layers of drama to the goal-scoring shoot-outs, and Dynamic Tactics, which take the best team-building strategy from the Ultimate Team mode and makes it even better in the battles of Real-Life Tactics. FIFA 20 also brings the first ever all-in-one Women's Edition FIFA game, meaning even more ways to enjoy the world's premier women's football league, including all of the big clubs, a ground-breaking Woman's World Cup, the UEFA Champions League™, and FIFA Women's Champions League™. New gameplay features! In FIFA Ultimate Team, squad building has been revisited, and there is no need to be strictly realistic when building your squad. With Personal Teams, you can build a squad that reflects your play style, not just your preferred formation or your favourite player. Personal Team is a new way for you to take command of your Ultimate Team and create your ideal squad, and it's a completely new way to play the game. It also features new ways to win your games – Dynamic Tactics, Matchday Weather, and other new gameplay features will offer players a fresh experience every time they play. New Reveal Shot gives players a more exciting goal celebration and makes the goal-scoring process even more unpredictable. New extra goals from the goalkeeper
