Then click on the.Oliver Chastain Oliver Chastain (born October 26, 1953) is an American illustrator and cartoonist. He was born in Northampton, Massachusetts and lives in New York City. Chastain has illustrated books, magazines, and a variety of products including toys. His work appears in several comic books, including titles published by Marvel Comics and DC Comics. He is best known for his work on the series Heavy Metal. Early life Chastain learned to draw in his father's art studio at age six. He started drawing professionally when he was eleven and began freelance illustration while in high school. Career Chastain's first published comic was for the New England comics publisher Tom McShunk. He later worked for National Lampoon and Esquire magazines. In 1980, he was hired by Marvel Comics to illustrate Heavy Metal, for which he won the 1982 Alley Award for Best Original Story. Subsequently, he created the "Asteroid M" story for Heavy Metal #27 in 1983. In 1986, Chastain and writer Alan Moore did a story arc in Marvel Comics' Zenith comic book that culminated in the death of Jack Kirby. Chastain's work during this period is his best-known, and includes one of Moore's most famous creations, the chess-playing robot Big Red. Chastain illustrated a graphic novel called Tell Me a Story: A Life in Pictures (Dial Press) written by
