Also the inclusion of the Steam Support Tool is available in this version, which allows automatic updating. Finally, some hotfixes and minor changes are included. _____ Have "The" to your left, "A" to your right, "H" Backlogged. v1.05 is online. There are some pretty big new features in v1.05 for Farcry 3 PC. 1) The Steam Community Cloud Sync has been added. This means that you can now

use your Steam Account to log into the game on any Steam client and use the Community Store, Achievements, Cloud Save, Cloud Replay and Progression. All of your game files are stored in the Steam Cloud and this allows your characters to be automatically patched and updated and your save games and achievements to be automatically transferred. 2) Vehicle Wraps have been added to the Vehicle Editor. You can now add unique vehicle skins to your vehicle by using the Vehicle Wraps found in the Vehicle Construction Menu. There are five different colors of vehicle wraps. There is also a Find Vehicles screen that will find a vehicle based on make, model, and color. 3) Weapon Scopes have been added to the Weapons menu. The different scopes have been added to the scopes menu. 4) A new weapon scope has been added to the Weapons menu, "Pointer". This scope will slightly change the crosshair for the player. There are five different sliders that will slowly move the crosshair. When the ammo counter reaches zero a special sound will play. 5) There is a new Achievement "The Eye of the Eagle" which will be awarded for picking up ten Raven rifles. 6) The viewer will now show a percentage indicator that helps determine if the viewer has been updated. 7) The OBB Viewer has been updated and support for Doom 3, Doom 4, Quake 3, Quake 4, and Half-Life games has been added. 8) The replay memory viewer has been updated and
