Dow that local connections must also be reflected in the relationship between the UC and the local churches. If the relationship between the local churches and the UC is broken. the churches will lose the ability to communicate effectively with their local people. It is important for the UC to be well informed and understanding about the local context. For this reason. the UC must be in touch with local church leaders.. Ants arc beautiful. Although the literature on local church self-sufficiency is sparse. there are useful principles that can be applied to the situation. Al least two principles for the local church's self-sufficiency are first. to build and nurture a local church ministry team that is a unified leadership team. and then to define a leadership team who are accountable to the local church and are therefore responsive to the needs of the local church. These two principles are used to build a local church ministry team that will function effectively in areas such as leadership and vision. ministry communications, personnel, evangelism, counseling, finance. and developing leaders. 3 13 .17 .073 .153 .162 .17 N.O.S 7.14 7.3 5 7.1 0 7.2 0 7.3 6 7.4 3 In re ^.^ . gounds l'l LK 1 12 In re 8.
