cepher (book · PDF) chapter 4 cepher teachings, the

cepher Bible has been translated to English, but has not cepher (book · PDF) today I thought iâ€™™ d share a re-release of an old college project from ten years ago. Itâ€™™ s called the Ceper Bible, and it features the English-translated the cepher bible pdf. While only 30,000 people have seen it so far, this is a Bible that should get your attention. With a subtitle (King James Version) appended to the word for â€šGod,â€™ the Ceper Bible ends with an IOU to God for its restoration. Iâ€™™ m afraid that the bible is so old that the publisher got lazy, and probably had no time to proof-read it. One or two errors are understandable due to the age, but a lot of error have penetrated the text over centuries, and the publisher did not bother to fix them. For example, in the Bible it says (the last words of the Bible): * â€šIt is a book of law (lex, or law) with mixed law and prophetic parts.â€™ I donâ€™™ t believe that the words * are the part of the original work at all. Itâ€™™ s a latin-grammar-like rephrasing of the original phrase, and itâ€™™ s a nice and artistic rephrasing, but itâ€™™ s not the original. Itâ€™™ s a very nice, artistic, amateur translation/re-translation of the Bible, and I would like to share it with people who would like to read it in English. Itâ€™™ s fascinating to read it, but itâ€™™ s no bible. It was published by Timothy Richard in 1914, and used Bible King James Version of Robert Young. I ran it

through my Bible2K Text Retranslator, which does a better job at translating ancient languages than most other programs, since it uses a bilingual lexicon. The Ceper Bible has no copyright statement. It includes a lengthy Introduction with an explanation of the book and its plans, plus a history of its restoration. Here's one paragraph from the Introduction, which is the book's
