@pct_siiim Tekken fans must be scratching their head right now. At the beginning of 2019, a new Tekken game has been revealed for the first time in almost 15 years. The game is called, Tekken 7, and was announced at the end of January. Tokyo Game Show 2015 Demo Tekken (known as Tekken 2 in Japan) was a fighting game originally developed by Bandai Namco and distributed by SNK. Released for the Neo Geo arcade system in 1995, the game was ported to the PlayStation, Neo Geo Pocket, Game Gear, Sega Saturn and PC. A PlayStation 2 port titled Tekken 6 was released in Japan in 2001. The game follows the protagonist Kazuya Mishima as he seeks to avenge the death of his brother. Subsequent titles in the franchise follow a similar plotline but begin using more modern video game technology, such as fighting game-specific combos and game mechanics (such as a life bar). On January 14, 2015, Tekken producer Katsuhiro Harada announced that the first installment of a new trilogy in the Tekken series is being developed for Microsoft Windows, PlayStation 3 and PlayStation 4. The games are dubbed Tekken 7, Tekken Hybrid, and Tekken 7: Fated Retribution in Japan, and contain interactive movie sequences titled Ogre Saga and Ogre Memories in Japan. The series has been active since 1995. The first game (Tekken) was released in Japan on June 27, 1995. Tekken 2 was released on November 18, 1995 in Japan. On December 1, 1995, Namco Arts developed the official English translation for Tekken 2 in cooperation with Mart Piava. Tekken Tag Tournament was released on PlayStation on July 17, 2001. Tekken 6 was released for PlayStation 2 on November 27, 2001. Skyrim A song. CD Jewel Case. CD 2 Disc. VINYL. Skrim (feat. Leona Lewis) - "Let Me Be Your Lover" TV. - Promo tape.
