

## **Best Beanie Caps and Custom-made Headwear Manufacturing**

Beanie Babies were first introduced by Ty Warner in 1993 at the World Toy Fair in New York City, NY. The toy was produced in a factory and first sold in local stores in Chicago in 1994. It's a small hat that fits comfortably on your head. A beanie hat is a handmade headgear or headwear without a brim. A simple and plain-looking handmade hat that goes well with almost anything a baby wears.

During winter, we start thinking about keeping ourselves and our kids warm by wearing coats, long-sleeve shirts, shoes, and even hats. These are all must-haves that every parent is looking for in the winter months. With the option to add a logo or have the hat embroidered, you can add whatever you want to create the perfect-looking hat through the best Beanie Manufacturer.

## **NEW GENERATION-Custom Hat Manufacturer**

New Generation is a professional Custom Hat Manufacturer in China that specialized in manufacturing high-end custom headwear. A beanie is a closed-brimmed hat made from triangular panels of material joined by buttons at the crown, which may be sewn together on either side. The beanie is made of fabric, wool, leather, silk, felt, etc.

The traditional use of the beanie hat is simple. Keep your head warm in cold weather. Because of its essential function, this style of hat has been independently found in many cool climate regions throughout history. In fact, even Vikings wore knitted hats. Hats can be knitted or woven, cuffed or uncuffed. These caps are also called skull caps, scarry, ski caps, wool caps, knit caps, and stocking caps. In the past, caps were called dinky or carrots.

As a **top-rated custom hat manufacturer**, it is committed to producing high-quality products with personalized designs and following sustainable best practices in all its processes. During these 20 years of experience, the company has emerged as one of the topmost hat manufacturers and suppliers. NEW GENERATION is known to be producing a quality range of baseball caps, golf caps, snapback caps, fitted caps, flexfit caps, trucker caps, 5 panels camp hats, military caps, bucket hats, beanies, etc.
