We all know that cigars are a popular choice of tobacco in India. However, they are not available everywhere. There are some places where you cannot find them at all.

Why do people love cigars?

Cigars are very popular because they have several advantages over other tobacco products. Cigars have a unique taste and smell that makes them very different from other types of tobacco products. Unlike cigarettes, cigars do not cause respiratory disorders and other health problems such as cancer or heart disease. Cigars also contain less tar than cigarettes and they do not produce carbon monoxide when smoked like cigarettes do. Because of this, cigars are safer to use than cigarettes

Cigars are a favourite among the cigar aficionados. They can be bought from various online stores. However, there are many people who find it difficult to buy cigars from an online store or get them

delivered at home. The reason behind this is that they don't know how to go about it.
