## Things to Know About a Private Boat Charter in Lymington

## **Lymington, a boating Heaven.**

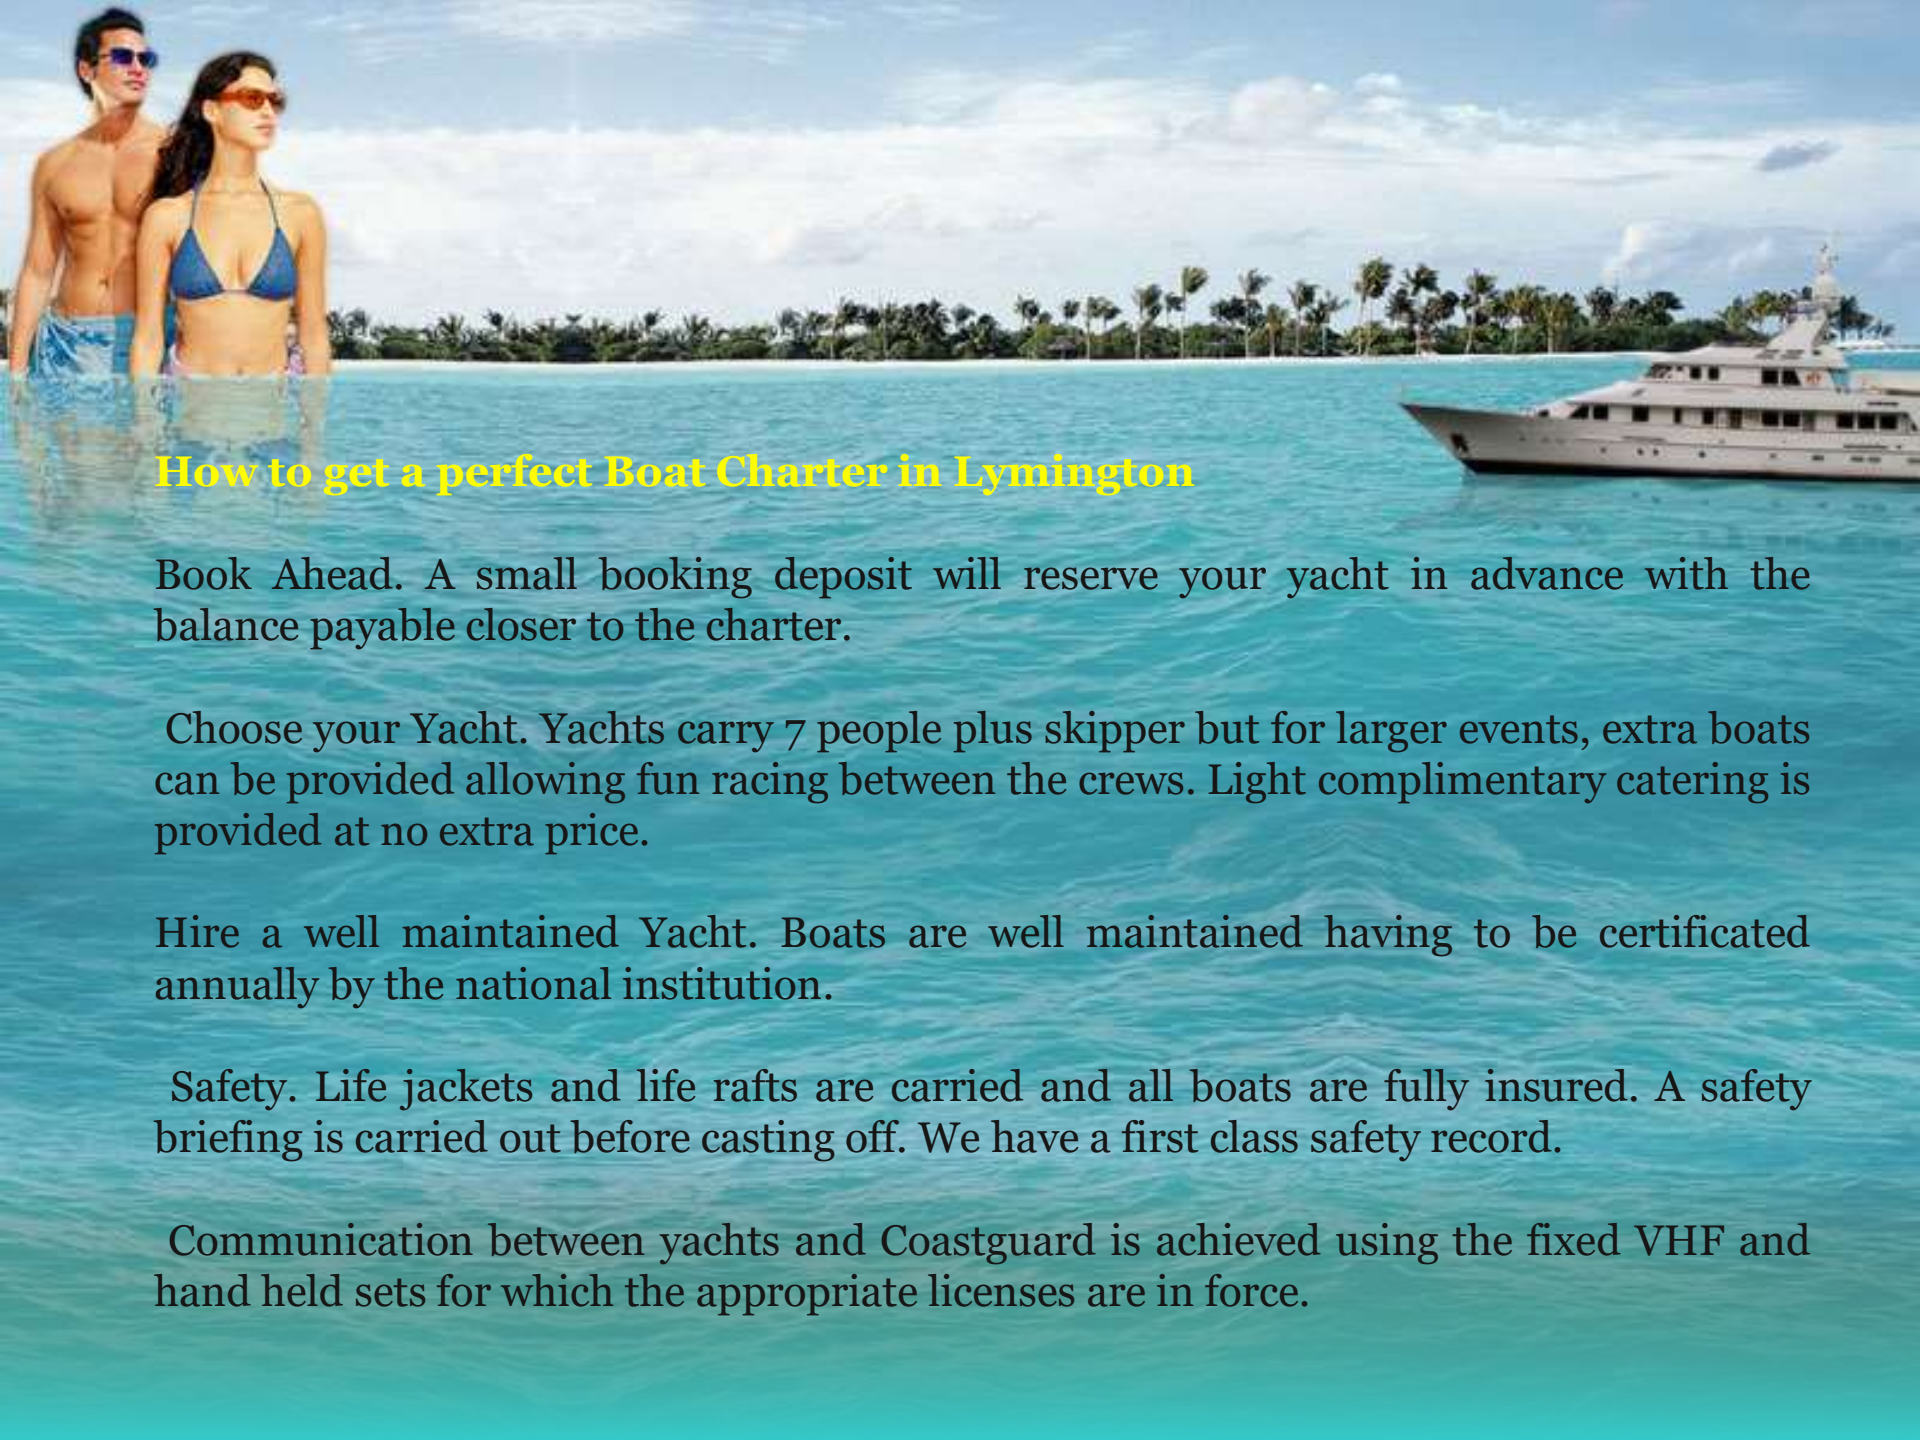

Situated on the southern edge of the New Forest National Park, Lymington ranks highly in the list of most sought after UK coastal towns. Apart from its other attractions, Lymington is known as a heaven for boating. You can easily get a boat charter in Lymington without too much difficulty depending on the week chosen and some of the major sailing regattas take place close by. The marina is home to many gleaming yachts and boats to hire. It is ideally placed in the Solent with access at all tides allowing you to explore many famous attractions such as Fort Victoria at Yarmouth. Sit back and enjoy a trip on the water with your friends or family.

There are a range of yachts available. Lymington is a great place for boat hire, skippers are very experienced and will organize an exciting itinerary as well as providing tuition and an insight into sailing.

If you are making a plan for holidaying in Lymington or seeking a perfect getaway, ***best Lymington yacht charter*** is the right destination for you. It is the best way to enjoy a great vacation on the water and collect some cherished moments. Boat charters cater to all sorts of occasions and it is quite affordable, especially if the cost can be shared among the crew as in the case of a hen or stag do, corporate and team building events. Wev also cater for birthdays such as 50th, 60th, 70th and family holidays. Explore the stunning sights including Alum Bay, the Needles Lighthouse and the Hut at Colwell Bay, all on the Isle of Wight.

## How to get a perfect Boat Charter in Lymington

**Book Ahead.** A small booking deposit will reserve your yacht in advance with the balance payable closer to the charter.

**Choose your Yacht.** Yachts carry 7 people plus skipper but for larger events, extra boats can be provided allowing fun racing between the crews. Light complimentary catering is provided at no extra price.

**Hire a well maintained Yacht.** Boats are well maintained having to be certificated annually by the national institution.

**Safety.** Life jackets and life rafts are carried and all boats are fully insured. A safety briefing is carried out before casting off. We have a first class safety record.

**Communication** between yachts and Coastguard is achieved using the fixed VHF and hand held sets for which the appropriate licenses are in force.

## **Tips for Planning a Boat Hire ion Lymington**

- Plan ahead, July and August are busy times
- Select a date when tides are suitable for your preferred destination
