

Surgical Breast Treatment in Pune – Dr Shilpy Dolas Offers Safe and Effective Procedures for Best Outcomes

Reasons For Breast Reconstruction

A woman might choose to have breast reconstruction for many reasons:

- To make her chest look balanced when she is wearing a bra or swimsuit
- To help make clothes fit better
- To permanently regain her breast shape
- So she won't have to use a breast form that fits inside the bra (an external prosthesis)
- To feel better about her body
